

How to Set Up Samsung Pay

1. Open **Samsung Pay**, and then tap **Get started**.

2. Enter a new PIN for Samsung Pay, and then enter it again to confirm.
3. If it's your first time using Samsung Pay, you may be asked to add payment cards
4. Tap **Menu** (the three horizontal lines) in the top left corner, and then tap **Cards**.
5. Next, tap **Add card**; it looks like a credit card with a plus sign next to it. Next, tap **Add credit/debit card**.
6. Follow the instructions to register your card. When you add a card, you must agree to the card's terms and conditions.
7. Once the card is added, you can start using it to make in-store purchases with your phone!
